April 9, 2021

It is hard to believe but there are only 6 weeks of school left. I know the staff will be using that time to its fullest when working with your child(ren). We are fortunate to have been able to return to an every-day model for these last three months of the year. This April also sees the return of some events that show we are getting ever closer to school-life before Covid. You'll find details in the SLATE about the annual Art Show put on by Mrs. Krueger. Additionally, our annual tree planting event (in conjunction with Arbor Day and Earth Day) put on by the 4th graders will take place. We will still limit the size of the group and socially distance but being able to have a group present at all is a significant change. The end of the year will come quickly. Please be sure your child(ren) is/are staying up on their work and getting the most out of what time we have left this month and next.

Upcoming Events / Dates to Remember:

Thursday, April 22 – Earth Day

Friday, April 30 – Arbor Day

Other Notes

Tornado Awareness Week: Each year, the state of Wisconsin holds a week of Tornado awareness culminating in a statewide drill. This year that awareness week is April 12th-16th. We have traditionally held a drill that week.

PTO Apparel Order: Please see the attached flyer from the PTO regarding an upcoming apparel order. You can also follow this link: <https://qualitinc.com/e-stores/store/sevastopol/>

Drop Off Reminder: Thank you for taking to heart the message earlier this week about avoiding the formation of a second line at drop-off and pick-up. To help move the right lane along, please drop-off and pick-up students as quickly as possible – for example, please have the kids' hair brushed, supplies gathered and don't wait around visiting. Again, it is appreciated that there is no longer a second line, let's all work together for the last 6 weeks of school to make this system as efficient as it can be.

Art Show: The annual Art Show will be on display at Stone Harbor Resort from April 9-May 10. Mrs. Krueger will also include a virtual component that will be provided on the school's website home page. Stop by and see the great artwork. Students participating in the show this year include:

Spring 2021 Art Show Participants

4K	Kindergarten	1st grade	2nd grade
Piper Delarwelle	Naveed Khan	Asher Annoye	Willow Ater
Grant Gilbert	Zendaya Tripplett	Leela Lama	Logan Bley

Drew Haen	Josie Serrahn	Eyan Kanapka
Aaron Staats	Dylan Weckler	Emmitt Kellan
Brody Sawyer	Naomy Ramirez-Sanchez	Everett Luedtke
Grace Olson		Oscar Rodriguez
Aayid Khan		Andrew Roman
		Willa Snyder
		Ian Cespedes

Door County Library: There is a flier attached of the activities and information for April including story time and information about their summer reading program. Check it out!

Recess and Boots: Thank you for making sure your kids have boots for recess. Now that the weather has turned warmer these are not necessary with the exception of rainy days. There are some days when it rains in the morning and the sun comes out later in the day. There may be some wetness on the pavement. If too much, we'll keep students inside. As much as possible we want students to go outside since recess is important to their development. It may be worthwhile to have students bring rainboots for these types of days.

Summer Soccer Program: The Door County Soccer Association is offering a summer program for students. There is a flyer attached that includes contact and sign-up information. Registration closes April 15. Students ages 4 through 14 can participate in groupings at their age level.

Water Bottles: Parents, we are excited that the weather is moving solidly into spring and its warmer temperatures. That also means the building is getting warmer. Please remember to send your child to school with a water bottle. Our refilling stations are in operation, but our bubblers are not. We have small cups for students in the event they forgot their bottle, but this only offers a quick drink – a water bottle can be filled and kept with the student in the classroom.

Teacher Request: As we put together class rosters for the fall, we take into consideration a number of factors including class make up, academic progress and social factors. Additionally, students will spend time with the other class at their grade level during lunch, recess and there will be combining of classes and teachers throughout the day especially with the new building that has grade level classrooms connected. If you have a reason for requesting a teacher for the fall, please complete and return the attached form by April 23. While this request will be given consideration know that it is one factor in creating a good classroom balance.

NOW AVAILABLE

Online orders are due by April 11th.

Orders will be delivered to school the week of May 3rd.
