February 12, 2021

Hard to believe we are near the end of February already. While we have so much school that already is in our rear-view mirror this year there are a number of very exciting events just around the corner. Our Dr. Seuss (literacy day/night) is on March 2 and all of our classes continue to impact our greater community with our Community of Caring Program.

Upcoming Events / Dates to Remember:

Tuesday, March 2 – Dr. Seuss Day – This year’s event will be virtual.

Other Notes

DR. SEUSS DAY – MARCH 2: We will be sending home some links to activities you can do at home (below is a sample). We strongly encourage that you set aside some time for reading – either to one another or as a group. There will also be links sent of staff reading aloud for your student(s) to enjoy.

Links to reading (books that can be read, projects, etc.) – and they’re free:
