September 17, 2021

We’ve enjoyed the excitement of opening a new building and even better has been the sound of voices in the classrooms and on the playgrounds. The kids have adjusted to their new surroundings well and by the accounts of those I spoke with, they are excited and looking forward to using their new learning space.

Upcoming Events / Dates to Remember:

Monday, September 20 – PACKERS DAY (see below)
Friday, October 1 – In-Service Day – No Students/No School

Other Notes

PTO Sponsored Shirt Order: Please see the attached flyer from the PTO regarding the annual free t-shirt that they will be sponsoring. There is no cost to families, all we need is the child(ren)’s size. Complete the attached form and return it to your child(ren)’s homeroom teacher. There is also a PTO meeting at 3:15 on Monday the 20th in the High School LMC.

Drop Off / Pick Up Reminders: Thank you for your patience as we continue to tweak the pick-up/ drop-off procedures. Please be sure not to use the Town Hall lot for either of these unless you have prior permission from them.

Also, please be sure to contact the main office on days when you will be making a transportation change (picking up instead of riding the bus home for example). If doing so by email, please include your classroom teacher and Randi in the office. We know that emergencies happen but if you have the ability to notify school at least 2 hours prior to the day’s end it is helpful and appreciated to make sure everyone who needs to be notified is alerted to the change.

PACKERS DAY: Showing that they need all the help they can get, with Monday, September 20 being a Monday Night Football game, students are encouraged to wear their Packers gear.

Treats: Last year our treat policy was based on what we knew (or didn’t know) about Covid at the time – like being unsure if it was transmitted by touch (which it is not). This year, we will return to our prior practice of allowing homemade treats to be brought in for birthdays. We still encourage individually packaged treats as they are easier to handle but you can decide what is best for you.

Video: The staff had fun putting together the annual welcome back video. If you haven’t seen it, feel free to go to this link: <https://tinyurl.com/2ft8xvck>

All Boys & Girls K-5th Grade are Invited to: JOIN CUB SCOUTS!

WHY CUB SCOUTING?

Cub Scouting's is a well-rounded program positively affecting every area of a child's life.

Cub Scouting encourages children to achieve a deeper appreciation of others, including peers, parents, and other adults. Early in their Cub Scouting experience, children learn the value of helping others.

Cub Scouting provides children with a sense that they are important as individuals. They learn that their Scouting family cares about what happens to them.

Cub Scouting promotes activities that lead to personal responsibility, high self-esteem and character development. The Cub Scout program is family-based and will strengthen the bond between children and their guardians.

SCOUTING'S COMMITMENT TO SAFETY

The safety of children in our programs is the most important priority of the Boy Scouts of America (BSA). The BSA's safeguards include mandatory:

- Youth Protection Training for all leaders
- Background checks for all leaders
- A ban on all one-to-one interactions between scouts and leaders
- Mandatory reporting to law enforcement

These are key parts of our multilayered approach to help keep kids safe. These measures were informed by respected experts in the fields of child safety, law enforcement, and child psychology, and are among the strongest safeguards found in any youth-serving organization.

SCOUTING DURING COVID-19: SCOUTING AT HOME

Please know that if meeting in-person isn't an option for your child. Virtual Cub Scout Adventures are available as well.

To learn more, please visit <https://baylakesbsa.org/scouting-at-home/>.
